

ELIJAH SILVESTRI

External Communications and Social Media Specialist - Resume

CAREER GOAL

To continue developing as an external communications professional by combining creative content production, digital marketing, and clear, community-focused media to deliver successful results. I am motivated by roles where optimisation, analysis and technology come together to inform and connect people. I aim to build a long-term career within an organisation that values 'outside of the box' creators and wishes to use my skills to positively impact the growth of their organisation.
